

HACKATHON 2025

HANDY & HANDYCHAT

YOUR ALL-IN-ONE ZJNU CAMPUS COMPANION

HANDY

PROBLEMS

01.

Information is scattered

- PE rules, locations, schedules
- Handbook policies
- Campus knowledge
- All spread across papers, PDFs, chats, and rumors

02.

Students walk around campus to find PE classes

- Confusing
- Time-consuming
- Inconsistent answers
- Many lose motivation to attend

03.

Repetitive workload for staff

- Students ask the same questions every semester, and staff must repeat them endlessly.

04.

Handbook is not user-friendly

- Too long
- Hard to search
- Complex language

HANDY

WHAT STUDENTS ACTUALLY NEED

-  Fast answers
-  Clear PE info
-  Easy rules and policies
-  Bilingual help
-  A central, reliable place for everything

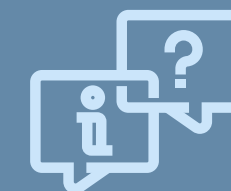

OUR SOLUTION

Handy (the web app)
presents essential
information in a simple,
accessible way

HandyChat (the AI assistant)
understands natural language in
both English and Chinese, giving
accurate PE details, handbook
explanations, and more all available
24/7

HANDY

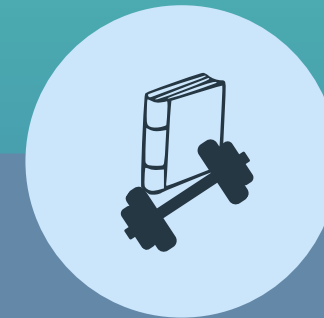

KEY FEATURES

**Centralized
Student
Information Hub**

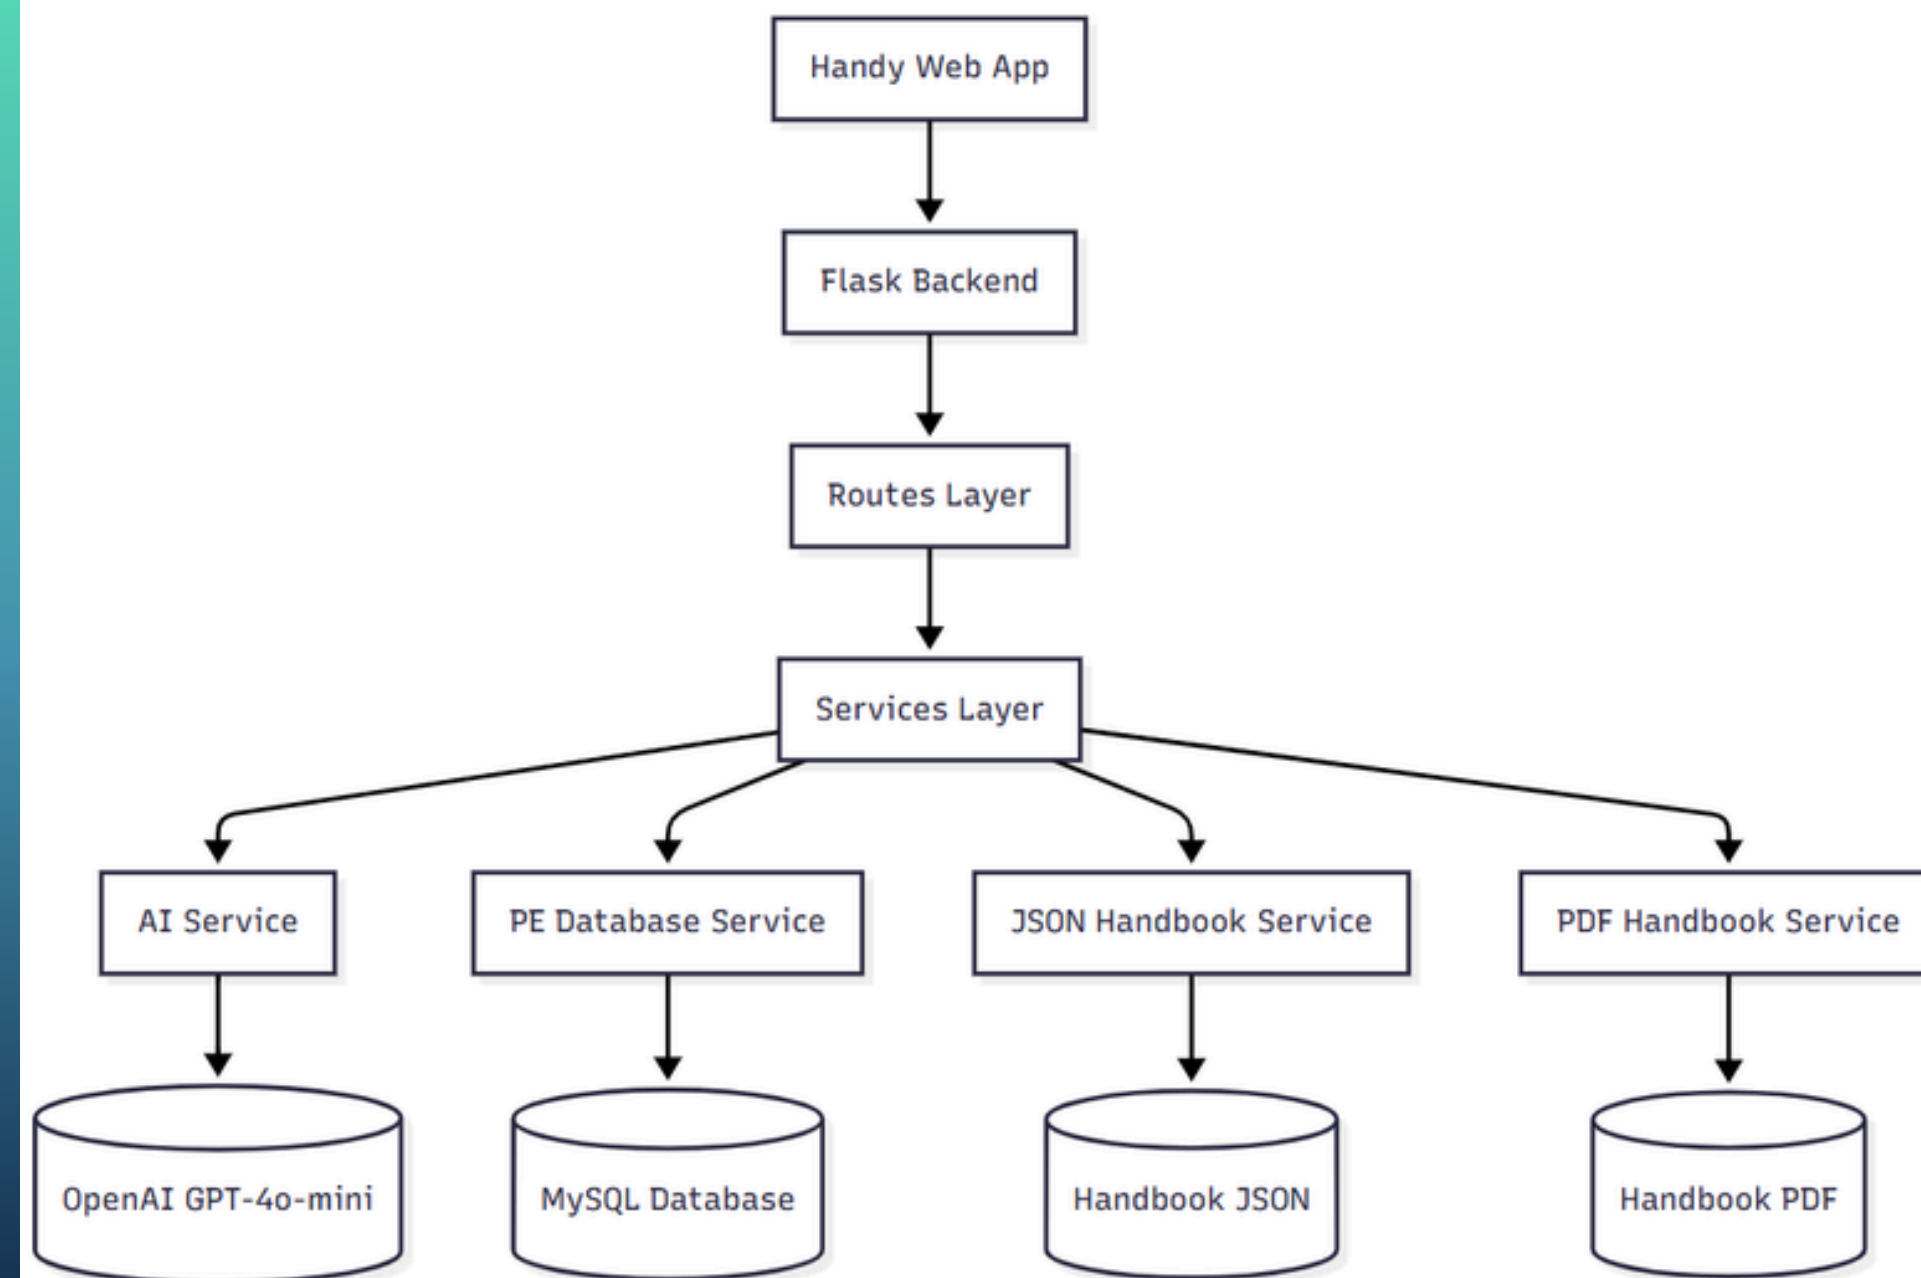

**AI-Powered Bilingual
Assistant**

**Integrated PE &
Handbook Help**

SYSTEM ARCHITECTURE

HANDY

DEMO

HANDY

IMPACT

Students

- No more searching for PE classes
- Clear, fast answers about rules & policies
- Bilingual support (English + Chinese)
- Instant access to reliable information

University

- More efficient student support
- Better experience for international students
- Modern digital service aligned with smart-campus goals
- Scalable foundation for future tools (dorm, courses, navigation)

Staff & Volunteers

- Fewer repetitive questions
- Faster communication with students
- More time for real support cases
- Reduced confusion during registration weeks

HANDY

MARKET OPPORTUNITY

**Growing
International
Students**

**Need for Digital,
Instant
Information**

**No Existing
Unified
Solution**

SUSTAINABILITY

**Low
Maintenance
& Lightweight
Architecture**

**Low Cost to
Operate**

**no expensive cloud
services or heavy
compute needed**

**Community-
Driven
Maintenance**

**not dependent on a
single developer.**

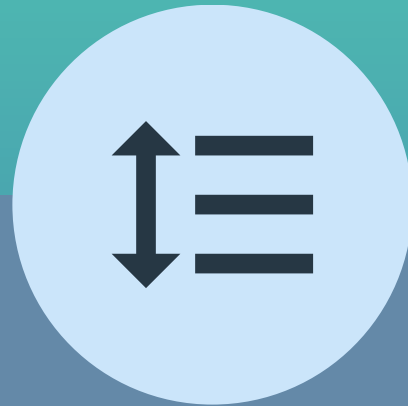

**Long-Term
Institutional
Fit**

HANDY

FUTURE EXPANSION

Multi-Section Knowledge Integrational Services

Expand beyond PE + Handbook
to support academics, dorm
services, etc

Full Campus Navigation System

Interactive campus maps with
real-time directions, building
info, facility schedules

Multi-Platform Deployment

Extend HandyChat into a
mobile app / WeChat mini-
program for quick access

HANDY

CONCLUSION

Handy & HandyChat transforms how international students access important information.

- ✓ Reduces confusion
- ✓ Saves time
- ✓ Modernizes student experience
- ✓ Scalable and practical for long-term use

🌟 Your digital assistant at ZJNU — anytime, anywhere.
